ABOUT LIFETHREADS

LifeThreads® LLC is a life sciences company focused on infection control in clinical healthcare settings with the mission of positively impacting healthcare-associated infections (HAIs). For centuries, medical professionals have been wearing the same clothing with a few cosmetic changes such as colors and patterns. LifeThreads is challenging the status quo by offering value, style and comfort coupled with protection above all. LifeThreads manufactures and distributes first of its kind high performance medical scrubs that are antimicrobial, antifungal, fluid barrier and anti-odor. Our textiles are a natural fit for healthcare settings, where patients and healthcare workers represent a high risk for cross-contamination.

THE TECHNOLOGY

Antimicrobial

Inhibits the growth of bacteria on the surface of the fabric.

Antifungal

Prevents fungus from breeding by inhibiting growth.

Odor Control

Keeps you smelling fresh even after a long day at work.

Fluid Barrier

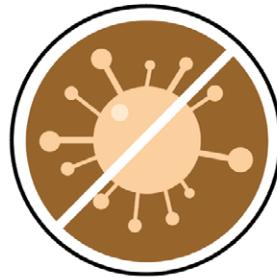

Repels blood, urine, vomit and other dangerous fluids for all day comfort.
